

How do I manage other clubs executive positions on the District and at Rotary International?

Omar S. - 2021-12-09 - District Integration

For Rotary Clubs with RI Integration enabled using ClubRunner as the **Read & Update** data vendor, the Club Executive Information in the Club & District database can be synchronized to Rotary to grant access to the Executives in Rotary's systems. If the **Read Only** data vendor setting is set at Rotary International, the Club Executive positions will only be available for copying into the clubs ClubRunner database.

To learn more about setting up the integration from Rotary's systems, please see this [How do I set up automatic integration with Rotary International on the District guide on the knowledgebase.](#)

Once the club has set ClubRunner as the data management vendor in My.Rotary.org, you can view the Executive Compare and Synchronize list to compare the club executives entered in both the District database, and at Rotary International.

Note: Access to the District ClubRunner website and Rotary International website, My.Rotary.org is assigned to the listed Executives from the respective ClubRunner and Rotary International Executives lists on the Executive Compare and Synchronize page.

You can learn more about getting access to manage your Club Information, membership information and other Executive positions on the District website from the [How do I get access to manage my club guide on the knowledgebase.](#)

To view and update the Executive Compare and Synchronize list using the configured RI Integration for the clubs, use the following steps:

1. Login to the District Member area, by clicking the **Member Login** link in the top-right of the District Home page. Then, enter your member profile credentials.
2. After logging in, click the **Member Area** link in the top-right of the District Home page.
3. In the member area, click **For Clubs** in the top blue bar,
4. In the grey bar below, click **Executive Compare and Synchronize**.
5. On the RI Club Executive Compare and Synchronize, click the Club drop-down to select the RI Integration enabled Club to view the Executive positions for.

Note: By default the Executive Compare & Synchronize page will list the six following positions, once the RI Integration module is set for the account:

- Club President
- Club Secretary
- Club Treasurer
- Club Foundation Chair
- Club Executive Secretary/Director
- Club Membership Chair

If the following positions have been setup on the District level, they will be available for integration on the Compare & Synchronize page. The positions can be set by a District Administrator by using the steps outlined here: [How do I define Executive & Director positions for clubs](#)

- Club Service Projects Chair
- Club Public Image Chair

10. With the positions checked, and data direction reviewed, click the orange **Synchronize Selected Position(s)** button at the bottom of the page. This will send the Executive position to Rotary from the District database or copy the Executive position from Rotary into the District database, depending on the arrows selected for each checked position.
