VIDEO: Website Designer (Advanced) - Changeover 2025

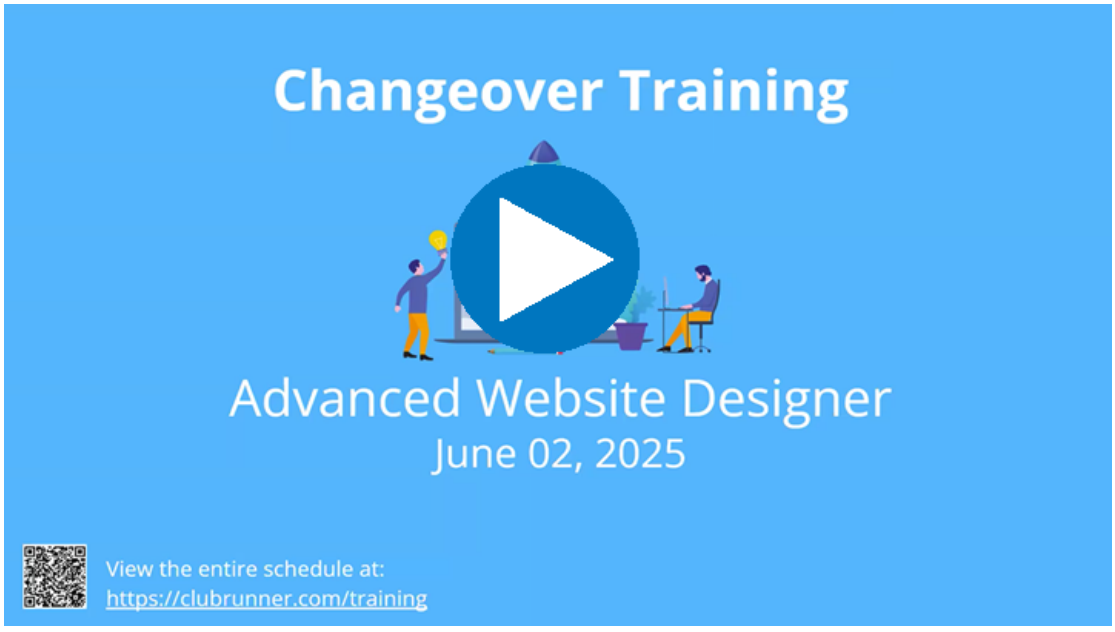
Michael M. - 2025-06-03 - Classic ClubRunner Tutorials

(Advanced) Website Designer

Hosted by **Zach W.** | Co-host: **Mickey D.**

This webinar will expand on the Website Designer Overview session and dive deeper into more of the advanced options available to further customize your website. Topics include:

- Pre-formatted widgets vs. Custom and Global
- Designing a dynamic carousel
- Creating and using page templates
- Social media plugins including the Share Bar
- Inserting custom CSS



Length: 50 minutes
