[Resolved] ClubRunner Service Interruption - Delayed Website Updates - July 3 2025

2025-07-03 - Zach W. - Service Issues

This morning the ClubRunner team identified a delay in processing website updates. We are currently working to investigate and resolve this issue.

Any published changes are waiting to be processed. As the queue is processed your updates will be published. **No action is required to have your website updates published.**

We will continue to post updates as more information becomes available.

We apologize for the inconvenience and appreciate your patience while we work to resolve the issue.

Working with the team we were able to isolate the issue with the website update service to help bring it back online and get our backlog processed. With the backlog processed, we are no longer observing any significant delays with website updates.

We are continuing to monitor for any disruptions going forward.
