Confirmed Registration: The confirmation report is a report based on completed registration forms. Within this section the event organizer can pull up a complete list of attendees that have completed the registration form. The report can be filtered by the status of the attendees; when the paid is selected and the **Generate** button is clicked the Report will only show attendees that have paid and all the services ordered. When the unpaid report is generated, a list of attendees will be generated but the list will show attendee order that still require payment.

Export: This report can be exported out to PDF, CSV, Excel 97-2003, Rich Text Format, TIFF, & Web Archive.
