

Custom Email Message

Robin N. - 2023-02-22 - MyEventRunner

Custom Email Message

The custom email message service in MyEventRunner lets you input additional information into the MyEventRunner Confirmation Emails. These confirmation emails get sent to all registrants of an event after they complete their registration.

Note

Mail Merge Fields are not supported in the Custom Email Message text.

The screenshot shows a rich text editor interface. At the top, there are three dropdown menus for 'Normal', 'Font', and 'Size'. To the right of these are icons for bold (B), italic (I), underline (U), strikethrough (ABC), subscript (x₂), superscript (x²), and link (I_x). Further right are icons for bulleted list, numbered list, and indent. On the far right are icons for text color (A) and background color (A). Below these menus is a 'Source' button with a code icon. The main text area contains the following text: 'Thank you for your registration to our event!' followed by a blank line, and then 'If you have any questions, please feel free to reach out to our Event Chair, John Doe, or by emailing John directly at JohnDoe@example.net.' At the bottom left of the editor, the text 'body p' is visible.

Save the Message

Click the blue Save button to save the Custom Email Message text. All future registration confirmation emails will include the text in the Custom Email Message textbox.

Save

Review the Custom Message

After saving the Custom Email Message, new registration confirmation emails will include

the custom email message just below the registration number and registration date.
