

## District email traffic report

Michael C. - 2021-02-08 - Communication

1. To check the District email traffic report, you must go to your district's homepage and login. Then, click **Member Area** in the top right corner of the homepage.
2. Along the top of the screen, you will see several tabs in the blue navigation bar. Click on the **Communication** tab.
3. Next, click on the **Email Traffic Report** link under Communication
4. You will now be looking at the Email Traffic Report overview. The 'Email Volume Limit' box will show you your annual email credit limit, as well as the average monthly email credit limit. If your District would like to purchase more email credits, [click here for more information](#).

### Email Traffic Report

| Email Volume Limit |                 | Usage To Date Since Oct 04, 2019 |              |                 |
|--------------------|-----------------|----------------------------------|--------------|-----------------|
| 120000             | 10000           | 3                                | 3            | 1               |
| Annual             | Monthly Average | Annual                           | Past 30 Days | Monthly Average |

Please note that your email volume limits are based on your account subscription. If you anticipate requiring higher volumes, consider [upgrading your email package](#).

From: Dec 03, 2019 To: Jan 04, 2020 [Generate Report](#)

| Account                  | Batches Sent | Emails Sent | Total Size | Actions                 |
|--------------------------|--------------|-------------|------------|-------------------------|
| ClubRunner Demo District | 3            | 3           | 27.56 KB   | <a href="#">Details</a> |

#### Club Accounts:

Filter records:

| Club Name                  | Batches Sent | Emails Sent | Total Size | Actions                 |
|----------------------------|--------------|-------------|------------|-------------------------|
| Rotary Club of Teal County | 0            | 0           | 0 bytes    | <a href="#">Details</a> |
| Rotaract Azure             | 0            | 0           | 0 bytes    | <a href="#">Details</a> |

5. The 'Usage To Date' box will display the total email usage for the District annually, monthly (past 30 days), as well as a monthly average.
