

## How can I prevent an ex-member from receiving invoices?

Michael C. - 2021-12-24 - Membership Management

If an ex-member is still receiving emailed invoice notices from your club, you can fix this by adjusting their debit/credit with the club.

1. To access the billing functions, you must first log in to your website. Then, click on the **Organization** tab.
2. Next, click on the **Dues & Billing** link.
3. This will bring you to the **Billing Home** screen. On the left side of the screen, under the **Statement** heading, click on either **Credit Adjustment** or **Debit Adjustment** as appropriate. Click **Credit Adjustment** if you wish to erase money owed by the member, and **Debit Adjustment** if you wish to cancel out money owed to the member.
4. In this example, we will select a **Credit Adjustment**, to cancel an outstanding invoice for a former member. When you click Credit Adjust, you are taken to the Credit Adjustment page. Here, you may select the member for whom you wish to issue a credit. To access ex-members, click the check box next to **Show Inactive**.

5. Now, choose the ex-member from the **Select Member** drop down menu.
