How Do I Add a Calendar Item? (District)

Zach W. - 2025-03-10 - Events & Calendar

Our new **Calendar Items** module allows you place notes or messages on the calendar and event list page without the need to create an event. Calendar Items also lets you create recurring or repeating notes or messages. Which is perfect for weekly meetings. Please follow the steps below, to learn how to add a Calendar Item:

1. Go to your District's website and click **Member Login** near the top right.

2. After you have logged in, click **Member Area** near the top right.

3. On the grey menu bar near the top click **Events**.

4. On the blue menu bar click **Calendar Items (Recurring)**.

5. This displays the Calendar Items page. From here you can view the **Calendar,** view a **List** of Calendar Items, and **Add Calendar Items**.

Add a new Calendar Item

1. To add a new Calendar Item, click **Add Calendar Item** on the Calendar Items Page.

2. You can fill in the **Title** and the **Description** of the Calendar Item on the first part of the page.

3. Then you could fill out the rest of the fields on the page.

Image/Logo - Displays an image in the Calendar Item.

Location - Name of the location, if there is a location name.

Address Information - The address of the event, if there is an address.

Latitude & Longitude - This allows you to override the Address information for the map that shows on the Calendar Item's page. For help finding your Latitude and Longitude, please see our guide: How to find a location's Latitude & Longitude in Google Maps.

Event Start Date - The start date and time of the event. *This is a required field.*

Event End Date - The end date and time of the event. The event duration may not exceed 365 days.

Recurrence - One-Time - The event only happens once.

Recurring - The event recurs. For more information about this please read further down.

Save - Once done click Save.
