How do I add a member designation?

Michael C. - 2021-02-08 - Membership Management

Club members may receive special member designations to acknowledge a particular status or function within the club.The Rotary Club has a number of common designations, such as Paul Harris Fellow or Sustaining Member. Clubs may also create their own new designations for internal use. You may assign member designations through your district homepage.

- To add a member designation, go to your district webpage and click on the Login link at the top right of the page. Then, enter your login details on the page that appears.
- You are now logged in. To access the District Administration page, click on Member Area on the top right.
- 3. You are now on the **District Administration** page. Click the **Membership** tab just under the header.
- 4. Next, click on the **Member Designations** link.
- 5. You are now on the **Member Designations** page. You may click on the name of a club to view its active members and assign a member designation.

Member Designations

Select a club to view and assign member designations. Or, search for a specific member using the "Search Member" link instead.
