

How do I add a website sponsor?

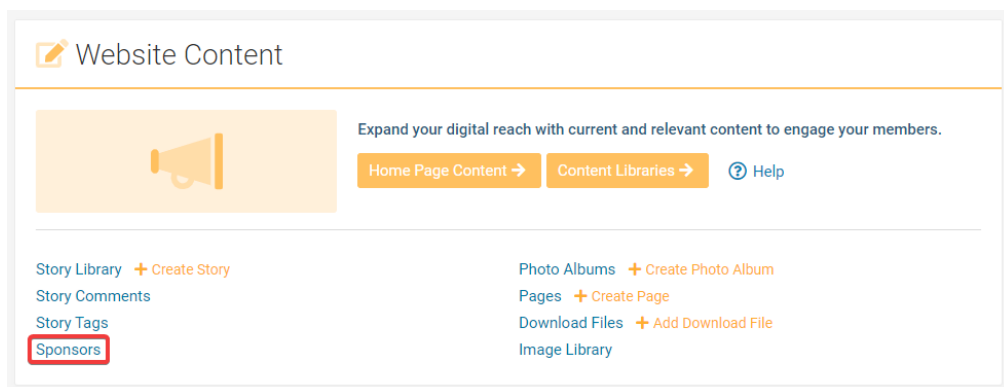

Omar S. - 2021-03-10 - Website Sponsors

ClubRunner lets you display sponsors' ads on your website. The sponsors could appear on the home page and bulletin by using the **Sponsors** widget. Sponsors always appear on the right hand panel of all site pages. Ads can be images or text-based, and can link to a website or email address. Please follow the steps below to reach the Sponsors section.

The below image is an example of what the sponsor would look like on your website:

1. Login to the **Member Area**. This will take you to the **Administration** page.

3. This takes you to the **Sponsors** page. From here you can add a sponsor by clicking on **Add New Sponsor**, edit an existing sponsor by clicking **Edit**, or delete a sponsor by clicking **Delete**.
