When you are a member, chair, or secretary of a committee you can store documents in the committees module.

1. To assign documents to a committee, you must go to your district's website and log in. Then, click on **Member Area** on the top right, under your club banner.
2. Along the top of the screen you will see several tabs. Click on the **For Members** tab.
3. Next, click **My Committees** link.
4. You are now on the **My Committees** page. Here, you can view the details of your committees. In order to email the members of a given committee, click on the committee's name in the list.
