## How do I create a makeup?

Zach W. - 2021-02-23 - Attendance

The **Attendance** module can be used to create meeting makeups for club members, to ensure they get full credit for their attendance.

1. To access Attendance, you must log in to your club website. At the top right of the screen, above the banner, you'll see the words **Member Login**. Click on this and enter your login details when prompted.
2. You have now been returned to your club homepage. Click on **Member Area**.
3. You are now on the homepage, where you will see a number of tabs. Click on the **Attendance** tab.
4. Next, click on the **Meetings** link.
5. On the left side of the screen, under the **Attendance** heading, click on the **Makeups** link. This brings you to the Makeups screen, where you may view a list of existing makeups, if any.

### Adding a Single Makeup

1. To add a single makeup for a single member, click on the **Add Makeup** button.

5. Next is the **Makeup Type** field. Here you have three options to choose from:

- **Banked:** Banking a makeup will save the makeup so the member can apply it later to a future meeting.
- **Auto-Assign:** Will automatically assign the makeup to the oldest meeting based on the Rotary International two week rule or the rule in the the attendance settings. If the makeup cannot be applied because the member attended the meetings within the attendance rule, it will be saved as a banked makeup instead.
- **Apply to a Meeting:** Gives you the option to select the meeting that you want the makeup to apply to. Our system allows you to apply makeups to meetings, even if the meeting is closed.
