

How do I create a new Donation Campaign?

Omar S. - 2022-12-02 - Donations

Create new Donation Campaigns to organize our accounts' donations into different projects & causes.

To get started, use the steps below to open the Donations Campaign List Page:

1. In the **Member Area**, in the top blue bar, click **Donations**.
2. In the grey bar just below, click **Donation Settings**.
3. On the **Donation Settings** page, click **Manage Campaigns** from the grey menu on the left-side of the screen.

4. On the following Donation Campaign List page, click the orange **Add** button in the top-right.

5. On the Add Donation Campaign page, enter the **Title**, **Code**, **Description**, as well as

upload an **Image**. [For more information about each of these fields, open our Creating Donation Campaigns guide page.](#)

Add Donation Campaign

General Donation Settings

Title *

Permalink *

Code *

Campaign codes help identify donation transactions at your payment processor. For more information refer to this [help article](#).

Description

Donate to the Healthy Heart Foundation to help our mission researching and fighting against cardiovascular diseases.

Maximum file size for upload is 15.00 MB

6. Then, **check** the Display Options checkboxes, depending on what information you would like to display for the campaign.

Display Options 

Show total donation amount

Show total number of donors

Show on public donations page

7. Enter the amounts you would like Donors to use in the **Available Amounts** field. Separate the different options by entering a comma(,). If you would like Donors to submit their own custom amount, check the **Allow Free Form Amount** checkbox, then enter a **Minimum Amount**.

Available Amounts

Allow Free Form Amount

Minimum Amount

- Select if you would like to use a custom confirmation message, or the default message, by clicking the **radial option**. This Confirmation Message will appear on the website, after the donor successfully submits their donation.

Use Custom Confirmation Message Use default message Use custom message

This message will appear when the donation has been successfully processed.

[View default message](#)

- To send an email to the donors confirming their donation, check the **Donation Confirmation** checkbox.

Donation Notifications

[Manage Email Templates](#)

Donation Confirmation
Notify the donor once their donation transaction completes.

[Cancel](#) [Save](#)

- Click the first **Select Template Type (Dropdown)** and select **System** to use the default system Donation Confirmation Email or select **Custom** to select your own Donation Email Template.
- Click the second **Select Template (Dropdown)** to select the system default, or your own custom Donation Email Template. [Learn more about creating your own Donation Email Templates, with the steps in this guide.](#)
- Within the **From** settings section, enter the **Full Name** that you would like to appear on the Donation Email Confirmations sent to the donors.
- Enter the **Email** address that will appear when the donor receives the Donation Confirmation email.
- Click the orange **Save** button in the bottom-right, to save the campaign.
