How do I create bulletin groups?

Michael C. - 2021-08-13 - [Bulletins](#)

The Bulletin Groups function gives you the ability to create multiple lists of Groups which you can use to organize your bulletins. To begin creating bulletin groups, please use the following directions below.

1. To access the **Bulletin Groups** function, you must login to your club's webpage and then access the **Member Area**.

2. Click on the **Bulletin** tab, and then on the **Manage Bulletins** link.

3. Under the heading **Edit Bulletins**, click on **Bulletin Groups**.
