

## How do I edit Site Page content?

Michael C. - 2021-01-28 - Website Content

Through the ClubRunner Website designer tool, you can create and customize your own Site Pages to populate your club or district page. You can access and edit existing pages via your **Site Page Library**.

1. To access the **Site Page Library**, login to the website's home page.
2. Click on the **Website** grey tab near the top.
3. On the blue menu bar, click **Website Content**.
4. Click on the **Pages** icon on the left.
5. Click on **Site Page Library**.
6. This brings you to the **Site Page Library**, a complete list of currently created site pages. Simply select the site page you wish to edit, and click the **Edit** link under the **Actions** heading.

### Site Page Library

#### Welcome Content

The story of the Green Town Rotary Club is inextricably linked to that of the foundation of Rotary International itself, in 1905.

As February 1905 drew to a close, the city of Chicago emerged from almost a month of unusually cold weather. The mercury failed to rise above freezing for 28 days, a record for continuous cold the likes of which hadn't been seen in years. While he shivered through those dark and cold weeks, Chicago businessman Paul P. Harris came up with an idea to help thaw the freezing nights with the warmth of fellowship. He invited three business associates to join him in the foundation of a new social club. The Rotary Club, as they dubbed it, had its first meeting in Chicago on February 23, 1905.

Within seven years the Rotary Club was an international organization, with clubs in Canada, England and Ireland. On the twentieth anniversary of the club in 1925, it was able to boast of
