

[NOVA] How do I generate content using the email AI assistant?

Michael M. - 2025-08-26 - [Communication](#)

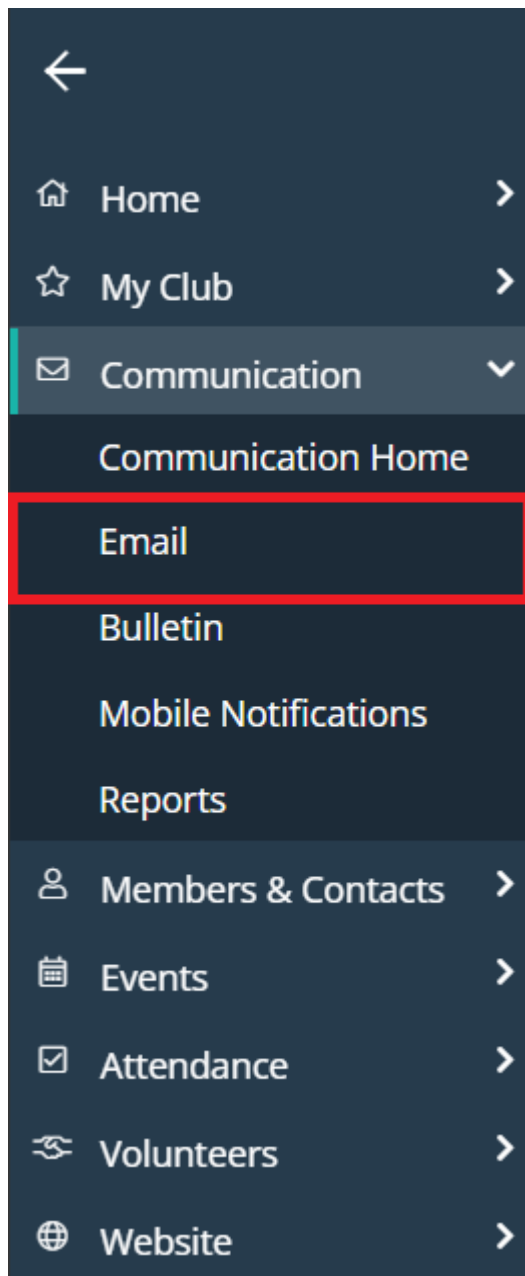

Email AI Assistant is available in the email message center to help you quickly compose or refine emails with ease. This option is accessible under the Communications menu, as well as within the email editor found within the Events module.

Note

Access to this feature requires the appropriate permissions. The Email AI Assistant is available to users in roles with communication privileges, such as Administrators and Membership Managers.

To use the email AI assistant to help you with your club emails, follow these steps:

1. Log in to your account through your club homepage, then click on Member Area on the top right under your club banner. [Alternatively, click here to go directly to the ClubRunner login page.](#)
2. For club emails, click **Communication** and then **Email** in the left-hand menu navigation.

3. Click **Compose New Message**.

Club Communication

To modify or resend a message to the same recipients, click the Resend option. Use the Copy option to copy the email with the selected recipients.

4. In the email editor, click Generate with AI, located at the top-left of the Body section.
