How do I grant a member a designation?

Michael C. - 2021-02-22 - [Membership Management](#)

Club members may receive special member designations to acknowledge a particular status or function within the club. For example, your donation level may entitle you to the designation "Sustaining Member." Or, if you have served as a president in the past you may be designated as a "Past President." Designations can be added or edited through the **Membership** function of ClubRunner.

1. To add a member designation, you must go to your club homepage and log in. Click **Member Login** near the top right of the page.

2. Then, click on **Member Area** near the top right of the page.

3. Along the top of the screen you will see several tabs. Click on the **Membership** tab.

4. Next, click on **Member Designations**.

5. This will bring you to the **Member Selection** screen. By default, a view of active members is provided. You may also choose to view **Inactive** and **Other** members.
