How do I grant a member Read-Only Access?

Omar S. - 2021-04-08 - MyEventRunner

On the Club and District you can grant members read-only access for MyEventRunner. The member will be able to view information, but do not have access to edit, delete, or change anything. To learn how to give a member this ability please click on one of the links below:

For Districts

1. To set up read-only access for a member, you must first go to the District's home page and login . Once you have done this, click the **Member Area** link at the top right of the homepage.

2. Now, click on the **Membership** tab on the grey menu bar near the top.

3. Next, click on the **Member Access Rights** link on the blue menu bar.

4. This brings you to the **Member Access Rights** screen, where you are asked to select the member whose access rights you wish to change.

5. Next, locate the member whose access rights you wish to change. You can do this one of two ways, by search for a given member of a club, or searching by the member's name. To select a given member of a club, select the member's club from the drop down menu in **Step 1**.

4. Now, choose the member's name from the drop down menu that appears under the heading **Step 2**.

Step 2:

Select the member's name from the list below:

Quirke, Jasmin ▾
Quirke, Jasmin
Robertazzi, Emera
Soigne, Tymothy
Thrussell, Jilleen
Vasovic, Dana
Warrier, Sarajane
Whitcomb, Jo ann

5. Alternatively, you can do a search for the member's name using the **Last Name** and **First Name** text fields.

Step 1:

Select the Club to which the member belongs:

Azure Metro ⌄

OR

Type the first few letters of member's name

Last Name: Quirke

OR

First Name:

Next >>

6. This will generate a list of matching names in the **Step 2** drop down menu. Select the matching name and then click the **Continue** button.

Step 2:

Select the member's name from the list below:

Quirke, Jasmin (Purple Metro) ⌄

Continue

8. You are now on the **Access Rights** page for that member. Here, you will see all the possible access levels, which a checkbox next to each one currently held by the member. To learn more about these access levels please read the article called Introduction to District Access Rights/Levels. For now since we need to give this member Read Only Access to MyEventRunner, please put a check mark in the box beside **MER Read Only Access**.
