

How do I look up member data changes?

Michael C. - 2021-02-08 - Membership Management

You can view, edit and update your own club's membership information from the district page. You may also view recent changes made to your membership data, by yourself or other members.

1. Go to your district webpage and click on the **Login** link at the top right of the page. Then, enter your login details on the page that appears.
2. You are now logged in. To access the District Administration page, click on **Member Area** on the top right.
3. You are now on the **District Administration** page. Click the **Admin** tab just below the banner.
4. Next, under the **District, Clubs & Membership** heading on the **Administration** page, click on the **Member Data Changes** link.
