

How do I manage District Documents?

Omar S. - 2024-11-29 - District Organization

When you need to upload a PDF, text, Word or other files to your site so your members or guests can access it, you can put it into your District **Documents**. Below are the steps on how to edit District **Documents** in ClubRunner.

REQUIREMENTS:

- You will need the Access Rights of **Administrator** or **Website Content Editor** to Add/Edit/Delete district documents.
- Members with other access rights, such as Membership Editor, or Club Information Editor will have read only access to the district document files.
- All documents to upload must be **30 MB or smaller**
- The file types you are allowed to upload are: *bmp, doc, docx, eps, gif, html, htm, jpeg, jpg, pdf, png, ppt, pptx, pub, swf, tif, txt, vsd, xls, xlsx, rtf, and zip*

Downloading Files

1. You have the option to download files by folder or all at once. To download the contents of a given folder, click on the More drop down menu under the Actions header. Then select **Download**. Your files will automatically start downloading in the form of an archived ZIP file.

2. To download all the District documents at once, click on the **Download All** button above the file and folder list. All your files will be archived in a single ZIP folder and downloaded to your computer.

Note: The save location of your downloaded files is dependent on your software and personal settings. For many users the default save location is their **Downloads**

folder, but this can vary.
