How do I post Documents for a Committee?

Zach W. - 2025-05-16 - [Committees](#)

Committees produce documents such as meeting minutes, event photos, and information brochures. Your District committees can centralize these documents with ClubRunner. Normally to do this the District or Club would have to order the **Enhanced Committees Module**, however this is included at no extra charge on the District.

1. Please go to your District webpage and click on the **Login** link at the top right of the page. Then enter your login details and login.
2. You are now logged in. To access the District Administration page, click on **Member Area** on the top right.
2. Along the top of the screen you will see several tabs. Click on **Organization**.
3. Next, click **District Committees**.
4. You are now on the **Committees** page. Here, you can view and edit the details of existing committees and create new ones. To add documents to a given committee, click on the committee's name in the list.
