

How do I re-open a closed meeting?

Zach W. - 2022-03-25 - Attendance

You may find yourself sometimes faced with the need to edit attendance from a closed meeting. You can edit details from a closed meeting using the Attendance module.

1. To access Attendance, you must log in to your club website. At the top right of the screen you'll see the words **Member Login**. Click on this and enter your login details when prompted.
2. You have now been returned to your club homepage. Click on **Member Area**.
3. You are now on the homepage, where you will see a number of tabs. Click on the **Attendance** tab.
4. Next, click on the **Meetings** link that appears.
5. This brings you to the **Meetings** page, where you are presented with a list of past meetings. Closed meetings are highlighted in green. Select the closed meeting you wish to re-open and click the **Re-Open** link.

Are you sure you want to re-open the Jul 15, 2021 meeting? This may cause some recalculations based on changes in member leaves of absence and exemptions.
