Keeping track of non-member guests can be time consuming and difficult. With **Events Planner**, you can register your guests as well as yourself.

1. To access the Events Planner feature, you must go to your club homepage and log in. Then, click on **Member Area** on the top right.
2. Along the top of the screen you will see several tabs. Click on the **Events** tab on the far right of the top toolbar.
3. On the blue menu bar, click on **Event Planner**.
4. You are now on the **Events** page. Select the event for which you wish to register and click on the name.
