How do I report a leave of absence?

Zach W. - 2021-03-17 - Attendance

From time to time, a club member may choose to take a leave of absence, in the knowledge they will be unable to attend meetings for a given period. They may be travelling, have family commitments, or be dealing with health issues. A leave of absence excuses active members from attending meetings while retaining them on the membership rolls.

1. To access Attendance, you must log in to your club website. At the top right of the screen you'll see the words **Member Login**. Click on this and enter your login details when prompted.
2. You have now been returned to your club homepage. Click on **Member Area**.
3. You are now on the homepage, where you will see a number of tabs. Click on the **Attendance** tab.
4. Next, click on the **Meetings** link.
5. Now, on the left side of the screen, under the heading **Main**, click on the **Leaves of Absence** link.

6. You now viewing a historical list of all past and current **Leave of Absence (LOA)** records. To add a new one, click on the **Add Leave of Absence Button**.

Leaves of Absence

List any members that are on a leave of absence, which serves to exempt them from meeting attendance as per the Attendance Rules you define.
You can have multiple leaves of absence for a member, simply by defining the start and end date.
Note that a Leave of Absence overrides any other rule that may be set for that member type (e.g. exemption status).
