**Note:** if you are using a password manager application such as Dashlane, LastPass, etc., sometimes our system cannot accept the application generated password. This could be due to how the application injects the password into our page. In such a case please **copy/paste the password** your application generates instead of allowing your program to automatically fill it in. If you continue to have issues generating a password please [contact our team](#).

8. If your password reset is successful, you will receive a confirmation message. Click the **Return** to go back to the login page.
