

How do I set up an event with Event Planner? (District)

Zach W. - 2022-03-24 - Events & Calendar

Event Planner will let you plan and schedule events for your District. You can invite members and non-members to attend, arrange online payment, and much more. Events can be created by event chairs, executives, and site administrators.

Navigation:

[Accessing the Events List](#)

[Set the Event Details](#)

[Event Services & Registration Options](#)

[Update & Review Payment Settings](#)

Accessing the Events List

1. To access the **Event Planner** feature, you must go to your district homepage and log in. Then, click on **Member Area** on the top right, under the homepage banner.
2. Along the top of the screen you will see several tabs. Click on the **Events** tab.
3. In the grey bar, just below click on **Event Planner**.
4. You are now on the **Events** page. To start setting up your new event, click on the **Create a New Event** button on the right side of the screen.

Event Date ▲	Event Name	Active	Location	Event Chair	Actions
Jun 30, 2021	Rotary Tree Planting	✓	2060 Winston Park Dr	Clare Davis	Open Delete Copy

Set the Event Details

1. You are now on the **Create New Event** screen, where you can write a description of your event and set up the time and place of the event. First, enter a name for your event in the **Event Name** field. You also have the option to set the **Status** of event as **Active** or as a **Draft**. An Active event will allow registrations if registrations have been configured. A Draft event will not allow registrations, even if registrations have been configured.

Create New Event

Create Event

Event Name:

Event Code:

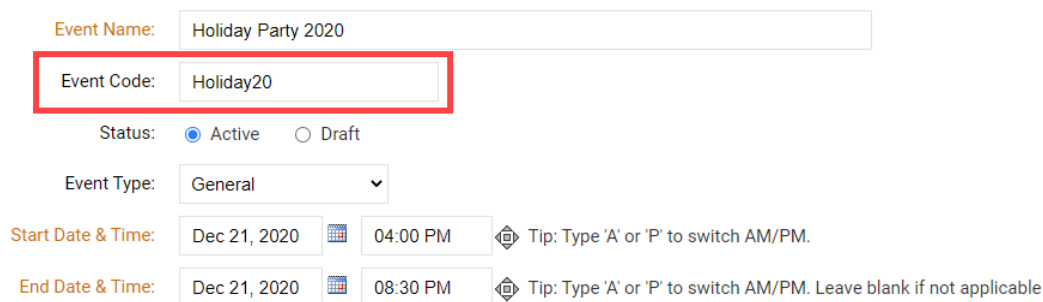

Status: ☒ Active ☐ Draft

Event Type:

Start Date & Time: Tip: Type 'A' or 'P' to switch AM/PM.

End Date & Time: Tip: Type 'A' or 'P' to switch AM/PM. Leave blank if not applicable

2. Now, if you wish you can enter a unique **Event Code**. This makes it much easier for you to track member payments for events from within your Sage or Bambora merchant account. You can assign your own Event Code when creating a new event, up to 10 characters long, or add one to an existing event by editing the event details. All payments transactions for that event will have the same code, appended by the unique registration ID, making it much easier to determine who has paid for what.

Event Name:

Event Code:

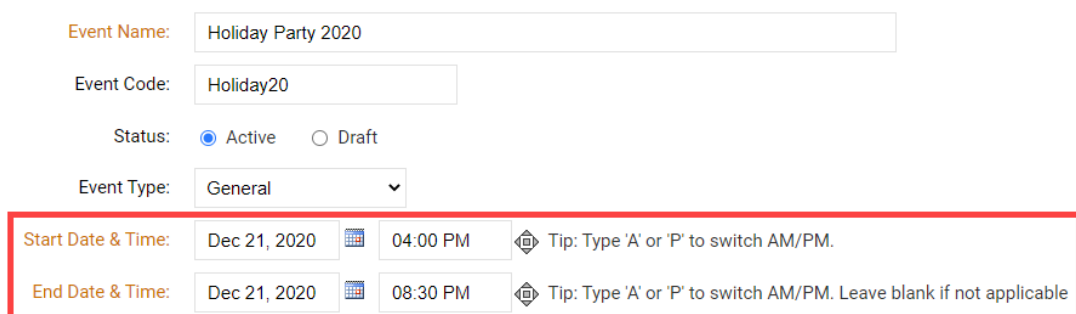

Status: ☒ Active ☐ Draft

Event Type:

Start Date & Time: Tip: Type 'A' or 'P' to switch AM/PM.

End Date & Time: Tip: Type 'A' or 'P' to switch AM/PM. Leave blank if not applicable

3. Now, you may enter the date of the event. The **Start Date & Time** specifies the start date and time of the event. The **End Date & Time** field is where you set the end date and time. Click on the small calendar icon next to the date and time fields to use a pop up calendar to choose a day. The date fields must be filled in, but you may leave the time fields blank if so desired.

Event Name:

Event Code:

Status: ☒ Active ☐ Draft

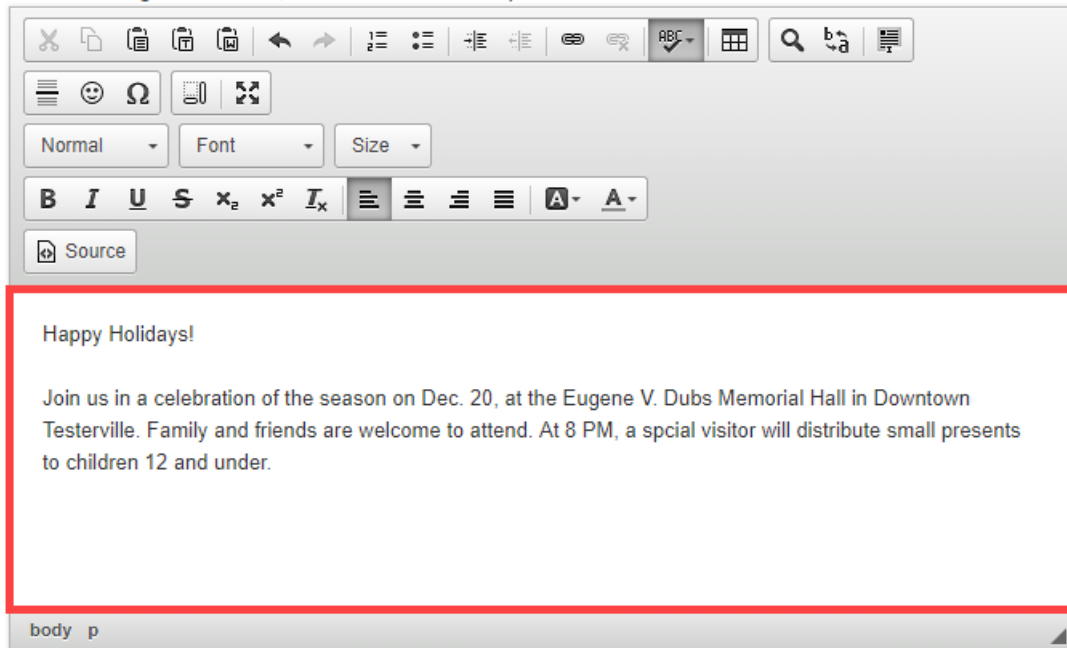

Event Type:

Start Date & Time: Tip: Type 'A' or 'P' to switch AM/PM.

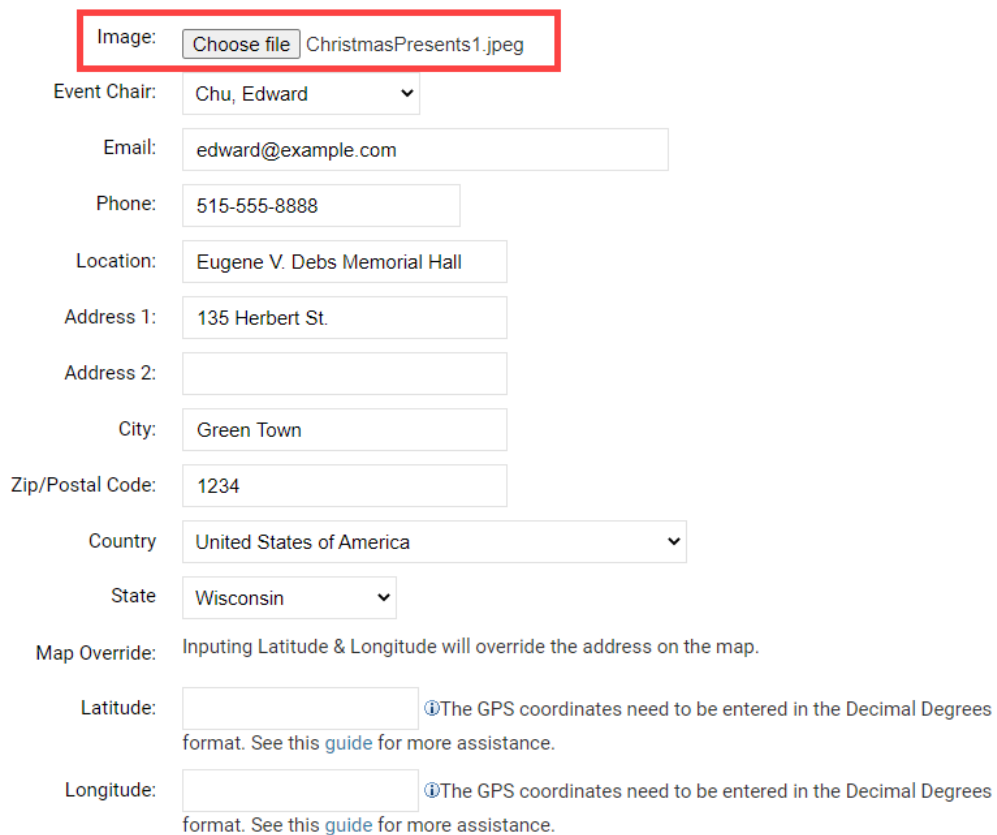

End Date & Time: Tip: Type 'A' or 'P' to switch AM/PM. Leave blank if not applicable

4. Once you have set the date and time details, you may enter a description of the event in the text edit field. You can use the buttons above the text field to edit the font size and style and insert special characters.

To add a single line break, hold down Shift and press Enter.

5. Once you have entered a description of the event, you may select an image to be associated with it. This image will appear in email invitations and on the web and in your bulletin. To add an image, click on **Choose File**. You can then select an appropriate image saved on your computer.

6. You may now select the **Event Chair**. The chair is the owner of the event. By default, the system will select the member that is creating the event, but you can change this as

needed. Selecting a chair will automatically populate the email and phone number fields from the database. However, you can manually re-enter the email and phone number as needed.

9. Next, you can click on various fields that determine where the event will be displayed.

- **Show Event in home page:** This field gives the event chair the option to display the event on the homepage. Please note however, the event widget **must** be on the homepage for this option to display the event. Selecting **No** will hide the event from the home page.
- **Show Event in Calendar:** This field gives you the option to display the event on the mini calendar on the homepage and the homepage calendar menu option. The mini calendar widget must be on the homepage for this option to display the event. Selecting **No** will hide the event from the mini calendar and from the homepage calendar menu option.
- **Display Social Media Share Bar:** This gives you the option to add a **share bar** wherever the event is displayed. With this toolbar, members can share details of the event through social media sites such as Facebook and Twitter.
- **Show Event in Bulletin:** Click **Yes** to display the event on your club's weekly bulletin, provided you have included the events widget in the bulletin. Select **No** to hide the event from the Bulletin.

Show Event in home page?	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Show Event in Calendar?	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Show In Events List?	<input checked="" type="radio"/> Yes	<input type="radio"/> No

Display Social Media Share Bar?	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Show Event in District Calendar?	<input type="radio"/> Yes	<input checked="" type="radio"/> No
Show Map?	<input checked="" type="radio"/> Yes	<input type="radio"/> No

10. Finally, click **Save** at the bottom of the screen. Or, if you wish to discard the event details, click **Cancel**.

<input type="button" value="Cancel"/>	<input type="button" value="Save"/>
---------------------------------------	-------------------------------------

Event Services & Registration Options

1. Once you have saved the event, you are taken to the **Event Services** screen. Here, you can review and edit the details of your event, as well as set up registration, payment and invitation details. You can use the three buttons next to your event details to add or change aspects of the event.

- **Edit Details:** This link will take the event chair to the details of the event from where they will be able to edit the date and time, select a new event chair, etc.
- **Edit Links:** This link will allow the event chair to add links for the event. The added links will be displayed on the homepage event right under the image.
- **Edit Download Files:** This link will allow the event chair to add files that registering members may want/need before registering for an event. The added download files will be displayed on the homepage event right under the related links.

Event Description
Happy Holidays!

Join us in a celebration of the season on Dec. 20, at the Eugene V. Dubs Memorial Hall in Downtown Testerville. Family and friends are welcome to attend. At 8 PM, a special visitor will distribute small presents to children 12 and under.

Registration

You do not have registration enabled for this event.
If you would like enable event registration go to [Edit Registration Options](#)

2. In the next section of the page, you can set up the registration details for your event. Registration defines when members can sign up for the event. If no registration is setup then no one will be able to sign up. To configure your registration options, click on the **Edit Registration Options** button.

Registration

Registered for this event: 0 People

This is a **MEMBER ONLY** event
Registrations are enabled from Nov 16, 2020 to Dec 11, 2020

6. The four registration options below allow you to determine who can attend the event and how registrations are communicated to the chair.

- **Allow public registration:** If this option is checked then non-members will also be able to register for the event. If the option is not checked then only members of the club may register for the event.
- **Allow members to register guests?:** If you check this option, members will be able to register non-member guests.
- **Copy event chair on new registration emails?:** When this option is checked, the event chair is informed of new registrations as they come in, via email.
- **Enable comments on the registration page?:** If this option is checked, members and non-members may leave comments on the registration page when they register.

Update & Review Payment Settings

1. When you click **Save**, you are brought back to the **Event Services** page. Scroll down to the section marked Payment Settings. Here, you can set a fee for the event and manage payment details. By default, events are set to free. Click on the **Change Payment Settings** button to set a fee, or edit existing payment details.

Payment Settings

Event Fee: 15.00 USD
Currency: USD
Payment Method: No payment account specified
Pay to Register? No
Check Allowed? No

Change Payment Settings

2. Now, you may enter your event fee details, if any. First, enter the cost of the event into the **Event Fee** field. Then, click on the drop down box to select the appropriate currency for the payments. Finally, if you have the Online Payment & eCommerce module set up for your club, you will see **Payment Method** as a selectable option. If you do not have this module, then you will only have the **No Payment Account Specified** option available only.

Note: To find out more about the **Online Payment & eCommerce** module click [here](#).
