

## How do I upload member profile photos on the district's website?

Omar S. - 2021-03-31 - Membership Management

You can assign profile images to each of your club members on your District home page, through the use of the **For Clubs** feature.

1. To upload member photos, go to your district webpage and click on the **Login** link at the top right of the page. Then, enter your login details on the page that appears.
2. You are now logged in. To access the District Administration page, click on **Member Area** on the top right.
3. You are now on the **District Administration** page. Click the **For Clubs** tab just under the header.
4. Next, click on **Membership Lists**.
5. You are now presented with an **Active Members List** for your own club. You can view and edit member details as on your own club webpage. To add a member photo, click on the member's name.
