How do I use the bulletin footer library?

Michael C. - 2021-02-04 - Bulletins

The Footer library contains a selection of Footers for the website and bulletins. You can access the Footer library at any time to create new footers or edit existing ones.

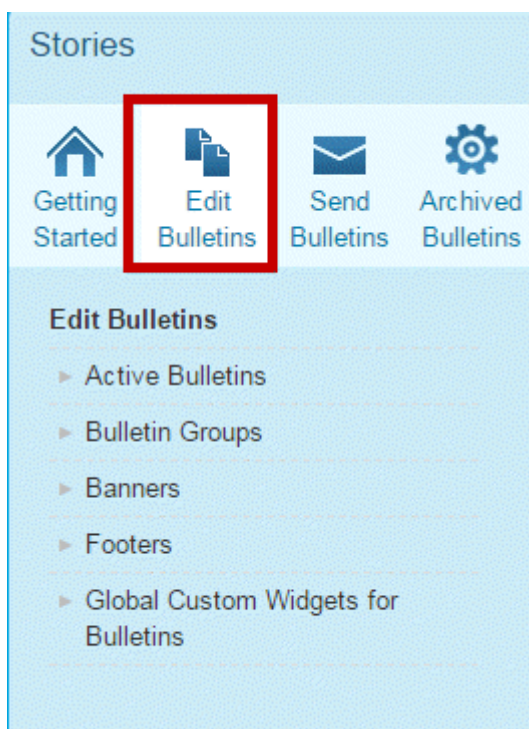

1. To access the Footer Library, you must first login to your club page. Then, click on **Member Area**.

2. To start click on the **Bulletin** and then the **Manage Bulletins** link.

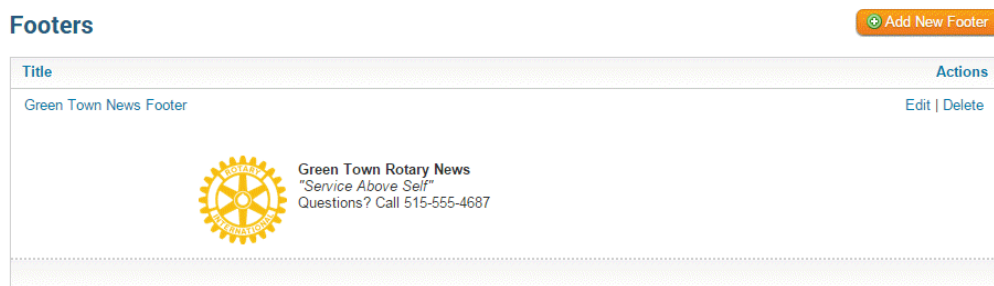

3. Now, click on **Edit Bulletins** on the left side of the screen.

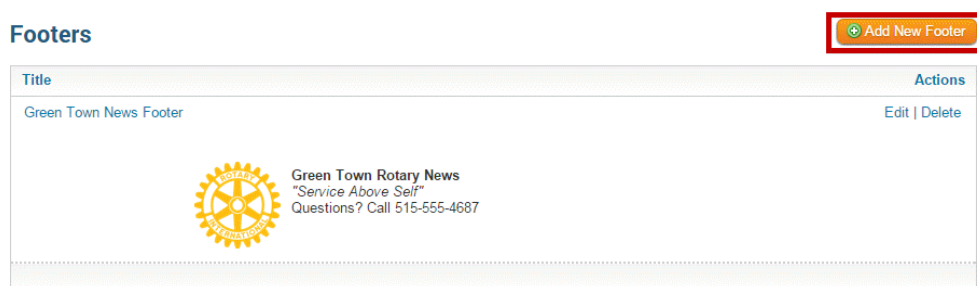

4. Click the **Footers** link under the heading **Edit Bulletins**

5. You are now viewing the **Footers Library**. Here, you can create a new footer, or edit an existing one.

6. To create a new footer, click the **Add New Footer** button on the top right of the screen

7. **Footer Title** is the internal name you will give the Footer you are currently working on. This is simply a label and it will not be visible on the Footer itself.

Add New Footer

Options

Footer Title: *

Footer Height (pixels):

Padding (pixels):

[Refresh](#)

8. **Footer Height (pixels)** is the height of your Footer in pixels. Recommended height is anywhere between 100 and 300 pixels. The default setting is 100 pixels. The **Padding (pixels)** value determines the space between the border and the content. In this case, the default setting is 30 pixels.

Add New Footer

9. Next, you have the ability to add a text message or images to your footer. The **text editor** section is where you can enter the text that will appear on your footer. You can format this text using the icons in the editor, including increasing the font size and color, or inserting images. Remember to keep images and text within the height defined for your footer.

Click on the Templates button for commonly used layout options, including centered images.
