How do I view District documents?

Michael C. - 2025-09-26 - [My ClubRunner](#)

Your district may maintain an online directory of documents. These documents can include anything the district feels is needed for the membership, such as information and event brochures or a history of the organization. You can access these documents through ClubRunner.

1. To access your district documents, you must first go to your district homepage and log in. You will see the log in button at the top right on your club home page. Click **Member Login** and, when prompted, enter your username and password.
2. Along the top of the screen you will see several tabs. Click on **Organization**.
3. Next, click on **Documents**.
4. On the **Private Documents** page, you can download and view any uploaded club document by clicking on the name of the document.
