

How to cancel an order or ticket

Michael C. - 2024-07-30 - [Events & Calendar](#)

You can cancel orders and tickets for an event, if the buyer or attendee are no longer able to attend.

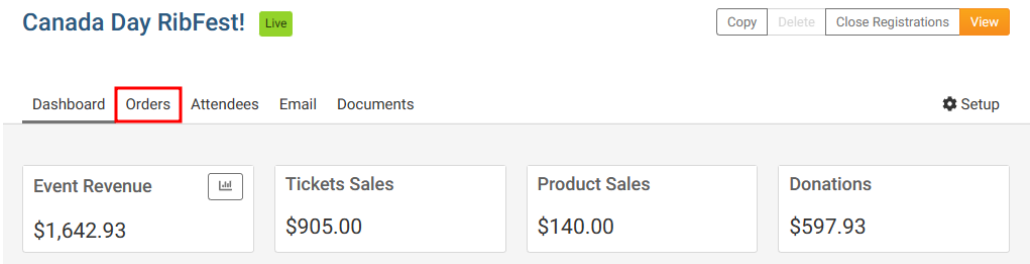

Cancel an order or ticket with the steps below.

1. To access **Cloud Events**, you must go to your website's homepage and log in. [For more information on how to login, click here.](#)
2. After logging in and navigation to the **Member Area**, you will see several tabs along the top of the screen. Click on the **Events** tab, and then click on **Cloud Events**.
3. On the Event List page, click the **Manage** button on the event which you want to cancel the order or ticket for.

Cancel Order

By canceling an order, all of the products and tickets included in the order will be canceled too.

1. On the event details page, click the **Orders** tab.
