[Mobile] How can I update my profile in the ClubRunner Mobile App?

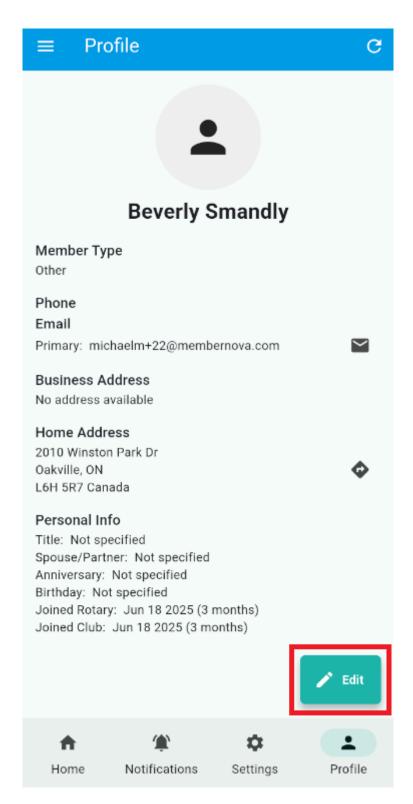

Michael C. - 2025-10-15 - ClubRunner Mobile App

Using the ClubRunner mobile app, members are able to update their own profiles on the go.

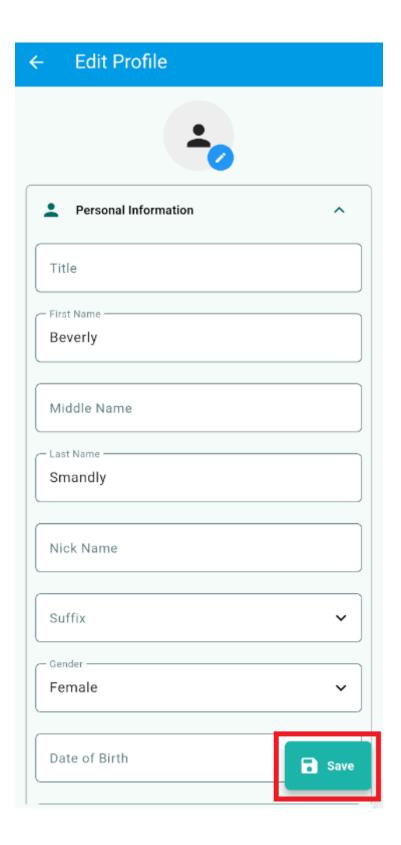

- 1. To begin, open the ClubRunner mobile app through your device's list of applications.
- If you are not already logged in, you may do so by following the steps in the <u>How do I log in to the</u> <u>ClubRunner Mobile App</u> article.
- 3. On the bottom of the home screen, tap the **Profile** button.

4. On your personal profile, tap the ${\bf Edit}$ button at the bottom.

5. You can now update the fields displayed on the screen. Tap **Save** to save your changes. Please note that some fields are required and you will be notified if they are left blank.
