[NOVA] How can I set up tickets and products for a Cloud Event?

Michael M. - 2025-10-30 - [Events](#)

Cloud Events created within ClubRunner can be displayed on the website, sent by email, and shared on social media. Both members and non-members can register for events depending on the settings applied.

This article will show you how to set up tickets and products for a Cloud Event that has been created for your club.

For more options in setting up your Cloud Event, please see the support articles in the Related Content section in the top right-hand corner of this page.

1. To begin, log in to your account through your club homepage, then click on **Member Area** on the top right under your club banner. [Alternatively, click here to go directly to the ClubRunner login page.](#)
2. Click the arrow next to **Events** in the left-hand menu navigation, then click **Cloud Events**.
3. Click the **Manage** button on the event you wish to edit.
4. Click **Setup** in the top right-hand corner.

5. Click the **Tickets & Ecommerce** tab.

6. Tickets: Click on the **Add Ticket** button to open a dialog that will ask for the details of a new ticket for the event.

TICKETS

You don't have any tickets for this event yet.

Add Ticket

You'll be prompted to set the following details for the ticket:

- Ticket Name - The name of the ticket.
- Ticket Code - This helps track the finances within the credit card processor's reports.
- Ticket Description - The description of the ticket.
- Minimum Tickets - The minimum number of tickets which can be included in an order.
- Maximum Tickets - The maximum number of tickets which can be included in an order.
- Allow Public Registration - An option to allow non-members to be able to register for the event.
- Default Price - The cost of the ticket.
- Total Tickets Available - The total amount of tickets available.
- Prices - This allows different pricing for the tickets based on membership type.
- Ticket Availability - The date range for ticket sales.
- Starts On - The date when people can start to purchase tickets (start of day).
- Ends On - The date when ticket sales will stop (end of day).

Once you've entered all of the details for the ticket and saved it, you'll see it displayed in the list of tickets for the event. You can add additional tickets and edit existing ones as needed.
