VIDEO: Advanced-Website Designer-Changeover 2023

Omar S. - 2023-05-03 - Changeover Training 2023

Website Designer Overview (Advanced)

Hosted by Zach | Co-host: Stephen

This webinar will expand on the Website Designer Overview session and dive deeper into more of the advanced options available to further customize your website. Topics include:

- Pre-formatted widgets vs. Custom and Global

- Designing a dynamic carousel

- Creating and using page templates

- Social media plugins including the Share Bar

- Inserting custom CSS

Length: 1 hour 25 minutes
