VIDEO: District Training for Club Executives (Beginner) - Changeover 2025

Michael M. - 2025-05-28 - Classic ClubRunner Tutorials

(Beginner) Club Executive Training on District Version

Hosted by **Marina B.** | Co-host: **Michael C.**

This webinar gives an overview of how to manage your own club members on the District version. Aimed for club executives who don't have a ClubRunner club version subscription and are using the district version. Topics include:

- How to gain access to use the district version
- How to add, terminate and manage transferring members
- Editing club information
- Adding, editing or removing club executives
- Brief introduction to RI integration (more in-depth coverage is in the **Advanced version** of this webinar)

Length: 30 minutes
