

## VIDEO: Website Content-Changeover 2023

Omar S. - 2023-05-03 - Changeover Training 2023

### Website Content

Hosted by Michael | Co-host: Robin

This webinar will cover how to modify your website content. Note that designing your homepage will be covered in the Website Designer Overview session. Topics include:

- Overview of stories, photo albums, speakers and sponsors.
- Creating and updating custom and site pages.
- Managing documents and download files.
- Embedding video from sources such as YouTube.

**Length:** 1 hour 40 minutes
