

VIDEO: Website Content - Changeover 2025

Michael M. - 2025-06-02 - Changeover Training 2025

Website Content

Hosted by **Robin N.** | Co-host: **Marina B.**

This webinar will cover how to modify your website content. Note that designing your homepage is covered in the [Website Designer Overview](#) session. Topics include:

- Overview of stories, photo albums, speakers and sponsors
- Creating and updating custom and site pages
- Managing documents and download files
- Embedding video from sources such as YouTube

Length: 47 minutes
