

## VIDEO: Website Designer (Advanced)-Changeover 2024

Michael C. - 2025-05-23 - Changeover Training 2024

This webinar will expand on the Website Designer Overview session and dive deeper into more of the advanced options available to further customize your website. Topics include:

- Pre-formatted widgets vs. Custom and Global
- Designing a dynamic carousel
- Creating and using page templates
- Social media plugins including the Share Bar
- Inserting custom CSS
