What are built-in pages?

Michael C. - 2021-03-12 - Website Content

Built-in pages are system created pages that update automatically when you update your ClubRunner. The Built-in Pages include Contact Us, Sign Up, Calendar, Events, Bulletin list, Story list, Speakers, Download Files, Photo Albums and Club Executives.

1. To access the Built-in Pages, you will need to login to the website.

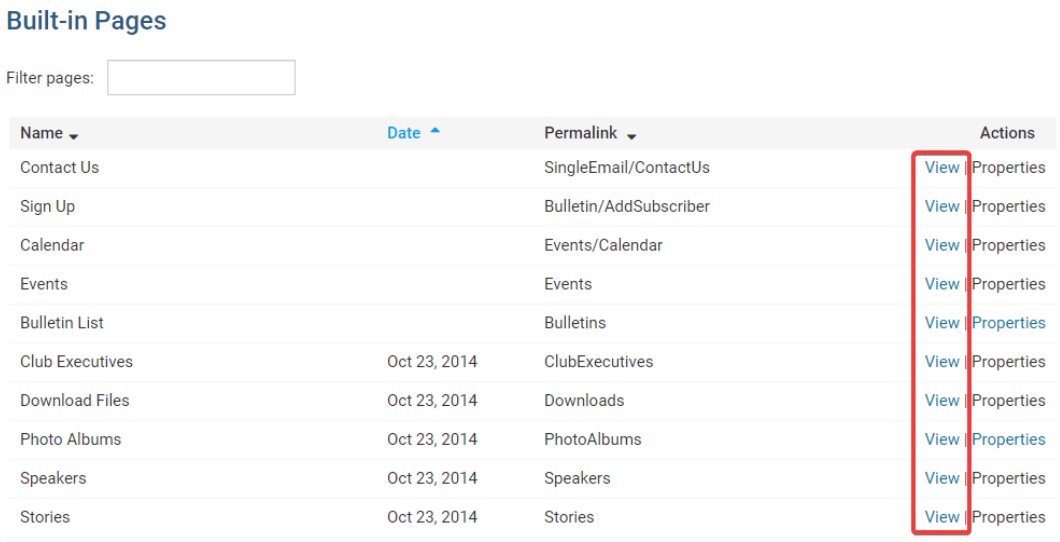

2. Once logged in, click on the **Website** tab on the grey menu bar near the top of the page then click on the **Website Content** link.

3. Click **Pages** on the ribbon.

4. Click **Built-in Pages**.

5. This will take you to the Built-in Pages. To see what the web page looks like, click on **View** below Actions.

Note: Some of the Built-in Pages have properties that you can change. Click on **Properties** below Actions to change them.

Note: Not all built-in pages are on the District.
