With the **Club Updates Archive** tool in ClubRunner, it's easy to track all changes made to your Club in one convenient location! To learn how to best make use of this function, please follow the directions below.

1. To access this function, first login to the District and access the **Member Area**, click the **For Clubs** tab at the top, and select **Club Updates Archive**.
2. This will take you to the **RI Club Integration Archive**. From here, in the **RI Integration Type** field, you may choose to display Club **E-mail, Fax, Mailing Address, Meeting Info, Phone, or Website** changes from the list.

Note: When you first access the Archive Page, the default view displays Club updates made within the **past 90 days** until a date range is specified.
