With the **RI Updates Log**, it's easy to track any and all changes made to members from the automatic Rotary Integration 2-Way True Sync feature. To learn how to review and filter for member profile updates in ClubRunner from the Rotary 2-Way True Sync integration feature, please follow the directions below.

2. This will take you to the **Rotary True Sync Updates Log** page. In the **Club** field, you may select an individual club to filter for changes to member profiles in the selected club.

Note
