## Where can I manage comments left on our website?

Omar S. - 2021-03-05 - [Stories & Online Editor](#)

We have created a page which allows you to be able to view and delete one or more comments. To learn how to use this page please follow the steps below:

**Note:** To turn comments on a story please create or edit a story and click **Enable Comments** located near the bottom of the page.

1. To view the comments that have been posted on a story within your website, you will first need to login to your website and access the **Member Area**.
2. In the navigation menu at the top of the Member Area, click on the **Website** option, and then select **Website Content**.
3. On the left hand side of the page, click on **Libraries**.
4. You will then be brought to the Getting Started page. To proceed, click on the **Comments** link.
5. This will take you to the **Comment Management** page, where you will be able to review any comments made on your website.
