

Widgets: President's Message

Zach W. - 2021-02-08 - Website Widgets

You use widgets to add content, such as stories, links and upcoming events, to your bulletin or web page. They are essential design features, and each one has a different function. In this article we'll take a closer look at the **President's Message** widget. This widget displays a customized message from the leadership of your organization, along with their name and photo.

1. To access any widget, you need to be logged into your webpage. Then, access your webpage editor.
2. Once you have opened the content you wish to edit, you can access the **President's Message** widget on the left side of the screen. It is under the **Essentials** widget tab.
3. Once placed in your content, the **President's Message** displays a customized message, along with the name of the author and a photo.

Welcome to Green Town

Kevin Cruz

On behalf of the Green Town Rotary Club and the larger community of Purple Metro, I would like to welcome you to this unique corner of the web. Here you can read about our work in the community and find out more about the extraordinary story of Green Town.

4. To add text to the **President's Message**, you must edit the widget. Once you have placed the widget within your editor, hover your mouse over it. Then click on the **Pencil** icon.

5. This brings you to the **Modify President's Message** screen. First, you may enter a new title for the widget.

Editing Widget Properties

Each widget has a function that permits you to edit the widget properties. Most widgets have standard properties, but some have special rules.

1. To access the widget properties, hover your mouse over the widget once it is in place. Click on the **Gear** icon when it appears.

2. You may now edit categories under the various headings. Under the **General** category you can edit spacing and border properties for the widget's border.
- **Show Border:** Click this check box if you wish to display a border around the widget.
 - **Padding Left:** Enter a value in pixels to set a space to the left of the widget.
 - **Padding Right:** Enter a value in pixels to set a space to the right of the widget.
 - **Padding Top:** Enter a value in pixels to set a space above the widget.
 - **Padding Bottom:** Enter a value in pixels to set a space below the widget.
 - **Border Style:** Use this drop-down menu to choose a border style.
 - **Border Thickness:** Enter a number to change the border setting. Leave blank to set the default.
 - **Border Colour:** Click on the colour choice window to set a border colour.

General ?

Show Border	<input checked="" type="checkbox"/>
Padding Left	<input type="text"/>
Padding Right	<input type="text"/>
Padding Top	<input type="text"/>
Padding Bottom	<input type="text"/>
Border Style	Default ▾
Border Thickness ?	<input type="text"/>
Border Colour	<input type="text"/>  Default

3. In the section marked **Header Properties** you may customize the appearance of the widget title.

- **Title:** Use this field to enter a new title for the header. This will not change the title of the widget, but rather the heading under which the widget is displayed. You may edit the style and appearance of the text with the format options link to the right of the title field.
- **Show Title:** Uncheck this box if you do not wish to display the title.
- **Font:** Use this drop-down menu to select the font you wish to use.
- **Colour:** Use this colour selection window to set the colour of the font.
- **Background Colour:** Use this colour selection window to set the background colour of the font.

Header Properties ?

Title	<input type="text" value="Welcome to Green Town"/> Format
Show Title	<input checked="" type="checkbox"/>
Background Colour	<input type="text"/>  Default

4. Under the **Content Properties** heading, you may adjust the appearance of the content and select which information to display.

- **Show Photo:** Click this option if you wish to display the president's photo.
- **Show Name:** Select this option if you wish to display the president's name as part of the content.
- **Show Preferred Phone:** Select this option if you want to display the president's contact number.
- **Show Primary Email:** Click here to display the president's email contact information.
- **Content Background Colour:** Use this colour selection window to set the

background colour for this widget.

- **Font:** Select the font in which you wish to display the content.
- **Colour:** Set the colour for the content font.

Content Properties

Show photo	<input checked="" type="checkbox"/>
Show name	<input checked="" type="checkbox"/>
Show Preferred Phone	<input type="checkbox"/>
Show Primary Email	<input type="checkbox"/>
Content Background Colour	<div><div></div><div></div><div> Default</div></div>
Font	<div>Default </div>
Colour	<div><div></div><div></div><div> Default</div></div>

5. If you wish to get a sneak peek of your formatting changes, refer to the **Preview** window on the right side of the screen. To see updates, click the **Refresh** button.

Note: The Preview button displays placeholder content that reflects your style changes, and not the actual content of your widget.
