ClubRunner

Area/Assistant Governors now have special district access

2022-11-15 - Mickey D. - Product Updates

We're happy to introduce a new feature on all our ClubRunner Rotary district-level sites. **All correctly defined AGs (Area/Assistant Governors) now have access to edit the membership and club information for all the clubs defined in their area.**

An AG can login to their ClubRunner district site and administer all the clubs in their area. These two Help sections now apply to all AGs wishing to assist their assigned clubs.

Membership management on the district site:
https://www.clubrunnersupport.com/kb/membership-management-2

Club management on the district site:
https://www.clubrunnersupport.com/kb/club-management-2

If a member has the correct access to do so on a district site, here is how to check and edit AGs and other district executives:
https://www.clubrunnersupport.com/kb/articles/how-do-i-add-remove-or-edit-a-district-officer-director

Please note: a correctly defined AG is currently unable to manage their own club's information. This issue will be resolved in a future update.
