Mobile App 4.2.2 - Release Notes

2026-01-30 - Zach W. - [Product Updates](#)

Yesterday, January 29th 2026, we released an update with version 4.2.2 that helps to resolve reported issues

Chat (Beta)

- Fixed an issue where newly created group chats could disappear immediately after being created. Group chats now appear and remain in the chat list for all participants.
