ClubRunner

Mobile App 4.3 - Release Notes

2026-04-21 - Zach W. - Product Updates

On February 13th 2026 released an update with version 4.3.0, which includes a number of improvements and bug fixes to enhance your experience:

New

- My Commitments: One place to see your upcoming events, committees, volunteer tasks, meeting responsibilities, and new member program.
- Birthdays & Anniversaries: New page to quickly view member milestones.
- Share Options: Share events and stories using your device's native share abilities.
- Member Index: Jump through member lists faster.
- Security: Stronger password rules and email-based MFA are now enforced in-app.
- Localized Magic Links: Magic-link emails now respect your selected language.

Improvements

- • Navigation: Updated order and labels in the menu for clarity.
- • Accessibility: UI tuned for large system font sizes across various screens.
- • AG Page: Layout refinements; if area governor has a single phone, we use the preferred number without a popup.
- • Recognition): New Zealand uses a dedicated donation URL.
- • Chat (Beta): Refreshed UI and better handling of member name/photo updates.
- • Invoices: Payment page UI polish.

Bug Fixes

- Login: Fixed biometric login after password resets; login page now preserves language selection.
- Calendar: "My Area" events display correctly.
- Notifications: Resolved duplicate wording in report messages popup and prevented multiple submissions.

- UI Cleanup: DG removed from the club info page as intended.
