ClubRunner

Mobile App 4.5 - Release Notes

2026-06-16 - Zach W. - Product Updates

On June 13th 2026 we released an update with version 4.5.0, which includes a number of improvements and bug fixes to enhance your experience:

New

- Send Emails: You can now email members directly from the app for faster communication.
- Share via QR Code: Share your profile information with a personalized QR code.
- You can now edit your Company name and Position directly in your member profile.

Improvements

- Security enhancements to improve account protection and overall app safety.
- Visual and usability updates across the app for a cleaner, more consistent experience.
