[Resolved] ClubRunner Service Interruption - Delayed Rendering / Website Updates

2021-05-19 - Zach W. - Service Issues

[May 19 2021 3:00 PM]

This afternoon at 3:00 PM (NAET) the ClubRunner team identified a delay in processing website updates. We are currently working to investigate and resolve this issue.

Any published changes are waiting to be processed. As the backlog starts to clear out, the updates will be published. **No action is required to have your websites updates published.**

We will continue to post updates as more information becomes available.

We apologize for the inconvenience and appreciate your patience while we work to resolve the issue.

[May 20 2021 9:00am]

Our team continued to monitor the issue in the evening, and can confirm the backlog had successfully cleared by 7:00 PM (NAET).

This issue is now considered resolved.
