[Resolved] Service Interruption - Issues navigating crsadmin.com

2022-12-05 - Mickey D. - Service Issues

Our team was able to identify issues impacting crsadmin.com (Events, Reports, Member lists, Committees, etc.) in addition to reports from customers. There may have been issues navigating this area between Friday evening December 2nd to Saturday morning December 3rd; and issues last night to this morning, Monday December 5th.

We were able to investigate, identify the impacted services and bring them back online. Services were were fully restored by 9:15 AM NAEST today.

We will continue to monitor for any additional disruptions to crsadmin.com or any other system.

We apologize for the inconvenience and appreciate your patience while we worked to resolve this matter.
