Please note that Rotary International will be performing software maintenance on the RI Integration service on Tuesday, February 15, 2022.

As a result, all RI Integration related services in ClubRunner such as the Compare & Synchronize feature, Member Updates Archive, etc. will be paused between the hours of **12:00am to 7:00am NAEST on Tuesday, February 15th**.

All RI Integration attempts during this period will be placed in queue for processing and you will not be required to re-submit your request. Note, you may experience a short delay with these updates once the service resumes.
