Rotary International Integration Maintenance Notice - October 2nd to October 4th.

2026-10-01 - Zach W. - [Maintenance Notices](#)

Please note that Rotary International will be performing maintenance on their Integration services starting Friday, October 2nd, 2026 at 06:00am NAEST, until Sunday, October 4th, 2026 at 05:00 PM NAEST.

As a result, all RI Integration related services in ClubRunner such as: True Sync, the Compare & Synchronize features, Member Updates Archive, etc. will be unavailable during this period.

All RI Integration attempts made while maintenance is in progress will be placed in a queue for processing. **You will not be required to re-submit your request.** Please note that you may experience a delay with these updates once the service resumes as we work to process the backlog.
